

To: The parents of athletes, drill team members, and cheerleaders

Re: Athletic paperwork

We are excited to announce that you are now able to complete and **submit** DPIISD athletic paperwork **electronically**. This will ensure the fastest, most direct and most secure way to submit your child's paperwork. In order to complete this process you must know the student's school ID and both a parent and the student must be present.

The physical/medical history form must still be printed, and taken to your physician in order to obtain a physical. The completed medical history and physical forms should only be returned to your coach or the athletic trainers. Students will not be eligible to participate until the electronic forms and the physical/medical history have been received by the athletic trainers.

Electronic forms are available **now** at the following link. <http://deerparkisd.rankonesport.com>. We would like to encourage all parents and students to complete this process before the end of this school year in order to ensure the student is eligible when their sport begins.

The physical/medical history as well as the pay to participate forms can also be found at the [link](#) above under the **download & print forms** tab.

For more detailed instructions, please click on the directions tab at the [link](#) above.

If you have further questions, please contact your son or daughter's coach or sponsor.

Thank you:

Jim Davidson, LAT
