DEER PARK---Deer Park ISD's Board of Trustees recently named former Dabbs Elementary Assistant Principal Marty Emmons as the school's new principal. Emmons served the school's students and staff as assistant principal from 1997-2005 under former principal Donna Collom, whom Board members named principal of Fairmont Junior High last month.

In addition to her previous stint at Dabbs, Emmons has worked at two other schools in the district. She began her career in 1979 as a Spanish teacher at Carpenter Elementary, then taught third grade the following year. She moved to Deer Park Elementary in 1981, teaching kindergarten and second grade until 1997. She was also DPE's second grade department chair from 1993-97. After seven years as Dabbs Elementary's assistant principal, Emmons was named assistant principal of Fairmont Elementary, a position in which she served from 2005 through the 2007-08 school year.

Emmons is a 1975 graduate of Deer Park High School. She earned her bachelor of science degree from Texas A&M University in 1979 and her master of educational administration from Houston Baptist University in 1981.
